

Australian children are going hungry every day

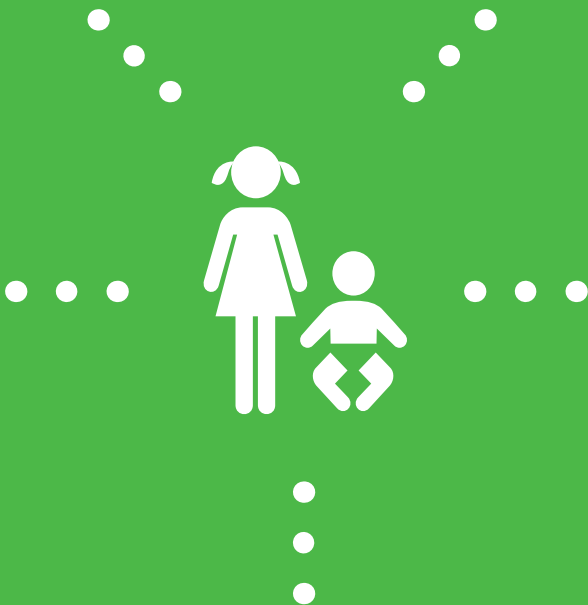

Two million Australians rely on food relief –around half of them are children.
(Foodbank, 2014)

One in 10 Australian children go without food for a whole day once a week.
(Anglicare, 2012)

17.3 % of children are living below the poverty line.
(Poverty in Australia, 2013)

1 in 6 children are living in poverty in Australia.
(Poverty in Australia, 2013)

Young people aged 12-24 make up one quarter of Australia's total homeless population.
(Homelessness Australia, 2012)
