

Be a champion for children and help us give Aussie kids a brighter future

Are you considering a fundraising event?
Here's how your fundraising will continue to make a difference.

15,209

children, young people and families were supported by Barnardos Australia last year.

90%

of young people in our programs reported an improvement in health and wellbeing.

80%

of caregivers in our programs said their capacity to care had improved.

What problems are we trying to solve?

- **1 in 6 children** live in poverty.¹
- **62,000 children** require homelessness support.²
- **1 in 4 children** are exposed to domestic violence.³
- **1 in 12 children** live in families with no employment.⁴
- **45,000 children** are unable to live with their parents due to abuse and neglect.⁵

Want to be a part of their future? Contact us our fundraising team today.
