

"It takes away the stress from struggling families about having to provide for their children. They can simply enjoy the fun and excitement of Christmas!"

- Jodie, Barnardos Family Support Worker

This year, we hope to receive 10,000 gifts for the children and young people in our care, some of whom have experienced abuse, neglect, poverty and homelessness and have never experienced the joy of receiving a gift. Your kind donation will give thousands of disadvantaged children the chance to open a present on Christmas Day.

How can I get involved?

1. Cash donations

By donating cash, you will allow us to tailor gifts to what each of the vulnerable children and their families really want and need. It may mean frontline staff can purchase a Christmas tree or contribute food for Christmas dinner. **We at Barnardos pride ourselves in providing personalised support and care, and cash donations will create the biggest impact on these families in need.** [Click here to donate now.](#)

2. Gift cards for teens

Young people need joy too, so we've streamlined the process of purchasing gift cards for them. With just a few clicks, you can make a direct donation which will translate into vouchers that our frontline staff can access for teenagers and young people in their programs. [Click here to give a gift card for a teen.](#)

3. Donate a toy online

[You can donate through the main Barnardos Australia Simply Giving Page.](#) You can also set up a company page, which can be shared with your staff and external contacts which will make a bigger impact. Setting up a company branded online page with your own messaging, logo and target is easy. [Complete this form today.](#)
